

GRANVILLE TOWNSHIP LAND MANAGEMENT COMMITTEE
Monday, September 23, 2013 7 pm

ATTENDING: Judy Preston, Grace Gordon, Dick Kinsley, Greg Dixon, Mickey Smith

GUESTS: Dan Van Ness, Alex Wilson

Minutes from the 4/22/13 meeting were approved and sent via email.

PUBLIC RELATIONS: nothing

PARKS AND TRAILS:

The meeting was held at Spring Valley Nature Preserve so that the group could view the completed Eagle Scout project by Alex Wilson. The project consisted of posts with signage at the trail intersections. The signs are clear and very well done. We feel this is an excellent addition to the trail system. It was agreed that a Thank you letter would be drafted and forwarded to the Trustees to sign and send to Alex Wilson. Judy will handle this.

Greg has some additional locations that could use posts and signs. He submitted a budget (\$154.21) for the project. After talking with Trustee Van Ness we will submit this request to the GRD.

AGRICULTURE: nothing

DEVELOPMENT RIGHTS:

The committee has been asked to help with the baseline inspection report for the Wolfe property. Trustee Van Ness explained the process and which items he would like for us to handle. We will visit the property 10/5/13 with a time to be set after talking with the Wolfes.

OTHER: The terms of Judy Preston, Grace Gordon and Dick Kinsley all expire 12/31/2013. All are willing to continue and Judy will let the Trustees know.

NEXT MEETING: We will not set a meeting date until one is needed.
