

## GRANVILLE TOWNSHIP LAND MANAGEMENT COMMITTEE

Minutes - Wednesday September 2, 2015

ATTENDING: Mickey Smith, Greg Dixon, Andy McCall, Judy Preston

GUESTS: none

MEETING MINUTES: February 18, 2015 minutes were recorded by Judy Preston approved by email and forwarded to trustees and Land Trust representatives by Judy Preston.

### PARKS AND TRAILS:

Andy's experiment – All the spice bushes are still alive and marked. He will continue to monitor them for several years.

Trail map – There is a new trail - Owl Gulch that runs from Roberts Ridge east into the Gordon property. It is still a work in progress but eventually will form a loop at the east end of that area and will cross the connector trail into Roseview. We will need to update the map when it is done hopefully in the spring. At that time we will also update the brochure and the large map in the kiosk.

Ash Borer update – There do not appear to be any Ash trees near any of the structures so there is no need to remove any. We do anticipate that all the Ash trees will eventually die.

Trail Signs – Greg has worked with the GRD to replace any missing trail signs and get new ones for the new trail and install them. Thanks Greg!

### AGRICULTURE:

Sugar Bush Report – The report for 2014 was received via email and distributed to all members and trustees.

DEVELOPMENT RIGHTS: All inspections were completed and reports turned in. There were no issues.

Group 1 – Linda & James White, Homestead Farm, Joseph & Therese White, Wolfe (T4, T5, T6, & T39),

Group 2 – Row Farms, Frances Robb & Lucinda Smith, Bruce Farms, Wayde Gutridge & Dixon (T1, T2, T3, T7 & T8)

Group 3 – Tataranowicz, Granville Township (T32 & T33)

Group 4 – Smith & Forni (T20 & T21)

Group 5 – Golf course (T38)

### OTHER:

Maps – Granville open space maps were distributed to those members who had not previously received one.

Members – Grace Gordon has taken a job in NJ and has resigned. She will be missed. Emily McCall has volunteered to replace her. Emily is a Librarian at the GPL and has studied conservation biology and would be a good addition to our committee. Judy will let the trustees know that we would like to see Emily appointed. The terms of Greg Dixon, Lynn Connelly and Craig Connelly all expire 12/31/2015. Greg said he would like to continue. Judy will check with Lynn and Craig who hopefully will also be willing to continue.
