Mrs. Schott, yes Mr. Bennett, yes Mr. VanNess, yes Adopted February 8, 2017

Jerry A. Miller, Fiscal Officer

FO Miller noted the Fire Department Equipment Reserve Fund needs action as it is now 10 years old, but will defer until APA Lecklider has prepared a proper resolution.

Class Reimbursement for Trustee Bennett:

Trustee Bennett had asked the Trustee to approve paying for a class on Township zoning. Trustee VanNess moved to pay for the class, Trustee Schott seconded the motion and the motion passed with Trustees Schott and VanNess vote yes and Trustee Bennett abstaining.

FO Miller presented a list of warrants, withholding vouchers, debit memos, and EFT's which were issued and asked for their approval.

On a motion by Trustee Schott and a second by Trustee Bennett, by a unanimous affirmative vote the following warrants, withholding vouchers, debit memos, EFT's, and if applicable, then

and now purchase order certificates were approved for payment and processing.

Jerry A. Miller, Fiscal Officer

Trustee Schott

Trustee Schott reported the following:

- Attended the Budget and Long Range Planning special meeting on February 7.
- Attended the Join Communication meeting
 - o Plan on Cherry Valley Rd
 - o Annexation Newark Granville Road
- Councilperson Michele Lerner called and asked about working with Village Council on a
 "Welcome America" resolution. The Trustees were concerned about the timing of the
 resolution. Trustee VanNess felt it had no business in Township government. Trustee Schott
 was told this is not a "Sanctuary City" resolution. Trustee Bennett suggested a joint
 community event with Denison University. After some discussion, it was agreed to see what
 Village Council did and place it on the next meeting agenda as needed.
- Attended the Ohio Township Winter Conference. Trustee Schott commented her "take-aways" were: anyone presenting before the Zoning Commission or Board of Appeals needs to be sworn in; and the zoning inspector needs to have a search warrant before going on to anyone's property.
- Emailed Village Manage Pyles on the right of way on New Burg concerning 45 vs 60 ft. ROW confusion. Trustee VanNess reported he stopped by the Village and Mollie Prasher was able to validate it is 45 feet.

Trustee Bennett

Trustee Bennett reported the following:

- In the future, ODOT plans to close both ends of River Rd. Trustee Bennett did some research and found that in 2002 when ODOT closed the connecting medium, it was ODOT's opinion is they do not need the County Commissioners approval. Trustee Bennett has asked APA Lecklider to see if ODOT has that authority. The answer will determine who the Township will need to work with to keep the current exits open (County Commissioners or State Representatives).
- Expressed concern about the new 1 mill 911 levy the County Commissioner placed on the May ballot. Trustee Bennett reported the approximately \$1/month telephone surcharge generates around \$130,000 monthly for the 911 center. The 1 mill levy will cost Granville Township residents over \$300,000 annually. Trustee Schott noted the suggested \$30 per 911 dispatches would cost the Township \$60,000 annually. Trustee Bennett wondered why a ½ mill wouldn't be enough.
- Reached out to Lyn and Keith Boone to see if they could visit Phillips Cemetery to see if any
 restoration could be done there. Trustee Bennett has a copy of the last Phillips Cemetery
 review and will share it with the Boone's. Possibly look to organize a work day at the
